DETAILED ACTION

Reissue Applications

The Final Rejection of May 31, 2006 is hereby withdrawn and the amendment filed August 31, 2006 has been entered. Claims in the application are 1-7, 15 and 16. A new Final Rejection follows.

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following: All errors under 35 U.S.C. 251 stated in the prior reissue declaration are no longer being corrected in the reissue application and the remaining added claims 15 and 16 are covered by patent claims 1-7. The reissue application therefore lacks an error as defined by 35 U.S.C. 251.

Claims 1-7, 15 and 16 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,

Art Unit: 3747

however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
